

2017 exSTEMaganza Application

Date received:

Staff initials:

Kids who are in grades 5-8 who have an Indian Prairie Public Library card or are enrolled in a school in the library's district may sign up to participate in the 2017 exSTEMaganza Reaction Contraption Challenge. Participants must be accompanied by an adult, parent or guardian who will also attend the event. This is an important opportunity for kids and adults to learn the engineering design process, develop teambuilding skills, and practice STEM.
